Friday, October 1, 2004
Cox Convention Center
Oklahoma City, Oklahoma

Sponsored by:
University of Oklahoma Diabetes Center of Excellence
Department of Medicine
Endocrinology, Metabolism and Hypertension

University of Oklahoma College of Medicine
Office of Continuing Medical Education
WHO SHOULD ATTEND?
This program is designed for any health care professional who wishes to enhance his/her knowledge of diabetes, management and prevention of associated complications.

LEARNING OBJECTIVES:
Upon completion of this activity, the participant should be able to:
• Describe mechanisms linking hyperglycemia to the complications of diabetes.
• Identify prevention strategies to reduce cardiovascular disease related to diabetes.
• Discuss diagnostic and treatment options for cystic fibrosis and diabetes.
• Describe prevention and treatment strategies for diabetes-associated osteoporosis.
• Prioritize nutrition therapy for dyslipidemia, glycemia, and hypertension.
• Integrate nutrition therapy with diabetes into medical management.
• Identify the relationship of lipids and lipoproteins to the complications of diabetes and identify treatment goals.
• Analyze ideas and treatments regarding the role of oxidative stress and the complications of diabetes.
• Discuss nephropathy as a complication of diabetes and identify prevention and treatment strategies.

CONTINUING EDUCATION CREDIT:
Physicians: The University of Oklahoma College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

The University of Oklahoma College of Medicine designates this educational activity for a maximum of seven category one credits toward the AMA Physician’s Recognition Award. Each physician should claim only those credits that he/she actually spent in the educational activity.

Nurses: Lowcountry Area Health Education Center is approved as a provider of continuing education in nursing by the South Carolina Nurses Association, which is an accredited approver of continuing education by the American Nurses Association’s Commission on Accreditation. This education design has been approved for 5.4 contact hours. Neither Lowcountry AHEC nor the American Nurses Credentialing Center endorses or approves any products that may be associated with this continuing education activity. Note: Participants must attend 90 percent of the educational offering to receive a certificate of attendance. No partial credit will be given.

Dietitians: Continuing education for Registered Dietitians is pending.

REGISTRATION
The registration fee includes lunch and a syllabus. Checks should be made payable to OUHSC.

For additional registration information, please call the University of Oklahoma Endocrinology, Metabolism and Hypertension Section at (405) 271-5896. To obtain information on other University of Oklahoma programs, access the Office of Continuing Medical Education home page at http://cme.ouhsc.edu.

PROGRAM ACCESSIBILITY
We accommodate people with disabilities. Please call (405) 271-5896 for more information or mark the space indicated on the registration form. Please register as soon as possible to assure accommodations.
