Welcome to the University of Oklahoma Health Sciences Center. As members of the university community, each of us assumes the obligation of compliance with all university policies and campus regulations. I am therefore pleased to announce that two university publications, the 2017-2018 Student Rights and Responsibilities Code and the 2017 HSC Sooner Safety and Fire Report, are now available online.

The University of Oklahoma Health Sciences Center has been taking increased measures for preventing and responding to potentially violent situations on campus. This year’s HSC Sooner Safety and Fire Report contains a wealth of useful information regarding those measures, ranging from information about educational programs on such topics as safety, substance abuse and the Sexual Misconduct Office (for reports of sexual misconduct) to how to report a campus crime. Each campus also has a Behavioral Intervention Team (BIT) and a Threat Assessment Review Committee (TARC) to analyze reports of community members in crisis or exhibiting unusual or dangerous behavior.

The 2017 HSC Sooner Safety and Fire Report is available online at:

www.ouhsc.edu/safety
www.ouhsc.edu/police
http://students.ouhsc.edu

Copies can be printed upon request at:

• Robert M. Bird Health Sciences Library
• Office of Human Resources

I encourage you to review both of these publications at your earliest convenience. If you have any questions, please feel free to contact HSC Student Affairs at (405) 271-2416 or students@ouhsc.edu.

The Clery Act Reporting Requirements

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, 20 U.S.C. § 1092(f), as amended (the “Clery Act”) is a federal law requiring all institutions of higher education receiving federal financial assistance under the programs authorized under Title IV of the Higher Education Act of 1965 to disclose certain timely and annual information about campus crime and security policies. The Clery Act, named in memory of a Lehigh University freshman who was assaulted and murdered in her residence hall room in 1986, specifically requires that colleges and universities have in place and disclose the following policies, practices and procedures:

• Policies regarding procedures for students and others to report criminal actions or other emergencies on campus and information regarding the University’s response to such reports

• Policy concerning security of and access to campus facilities and the security considerations used in the maintenance of campus facilities

• Campus law enforcement policies

• The type and frequency of programs designed to inform students and employees about campus security procedures and crime prevention procedures and practices and to encourage students and employees to be responsible for their own security and the security of others

• Annual reporting of statistics concerning following criminal offenses reported to campus security authorities and local police agencies that occurred on campus, at non-campus buildings or on non-campus property, and on public property immediately adjacent to or accessible from the campus

• Procedures that students should follow in the case of an alleged domestic violence, dating violence, sexual assault, or stalking

• Where information concerning registered sex offenders may be obtained

The University of Oklahoma divisions, departments and offices that share responsibility for developing and implementing these policies, practices and procedures include the OUHSC Police Department, HSC Student Affairs, Disability Resource Center, Housing and Food Services, Division of Public Affairs, Site Support, Institutional Equity Office, Office of Legal Counsel and the Vice President of Administration and Finance.

This report is distributed in compliance with the Clery Act to all students and employees as well as prospective students and employees. It can be viewed on the following websites:

†The University of Oklahoma Health Sciences Center campus is contiguous with a separately owned medical complex. These facilities are frequented by residents and/or students for programmatic purposes. Due to this reason and changes to the Clery Act Geography in 2015, the University of Oklahoma Health Sciences Center will include counts from the medical complex, which raises the rate of occurrences; however, it leads to a well-informed student body and campus community.

There were no reported Hate Crimes for the years, 2014, 2015, or 2016.*

No Offenses were reported by Campus Security Authorities.

Processing Crime Reports

The University of Oklahoma Health Sciences Center Police Department (“OUHSC PD”), provides police and fire protection for the safety of life and property on campus. The department consists of 58 employees. OUHSC police officers are governed by the same powers as sheriffs and municipal police officers. They have the same authority to enforce state laws, including making arrests when appropriate. In addition to providing police services for the University, police officers are assigned to hospitals and other entities within the campus jurisdiction. The University of Oklahoma Health Sciences Center Police Department has an agreement with the Oklahoma City Police Department (“OCPD”) to give concurrent jurisdiction between OUHSC PD and OCPD within agreed upon geographical boundaries. Our general jurisdiction is I-235 to Lottie and NE 4th Street to NE 16th Street, for detailed concurrent jurisdiction, see this link http://www.ouhsc.edu/police/AboutUs/JurisdictionalBoundaries.aspx.

If you are a victim or a witness to a crime, contact OUHSC Police immediately at (405) 271-4911. A police officer will meet with you to gather pertinent information to complete an official report. All reported crimes are investigated immediately. Additional security measures are implemented to apprehend offenders when appropriate. The OUHSC Police will issue timely warnings via e-mail or through the Emergency Communication System (ECS) to ensure prompt notification to the campus community of crimes that present a continuing threat.

For the full text of the OUHSC Timely Warning Policy, please go to page 37. Crimes occurring in jurisdictional areas near campus are monitored and reported to the campus community when appropriate. A daily crime log is available upon request, recording all crimes reported to the OUHSC PD, including the nature, date, time, general location of each crime; and the disposition of the complaint, if known. For additional information on the ECS – Emergency Communications System, go to http://www.ouhsc.edu/ecs/ or update your personal information for ECS at http://gohs.h.ouhsc.edu/.

Campus crime statistics are reported each month to the Oklahoma State Bureau of Investigation. The OSBI collects crime data throughout the state and forwards information to the Federal Bureau of Investigation. The FBI publishes an annual “Crime in the United States” report that includes campus crime statistics from across the nation. The reports are available for review at the OUHSC Police Administrative Office or the following websites: “Crime in Oklahoma” - https://www.ok.gov/osbi/documents/Crime%20in%20Oklahoma%202016%20Final%205.26.17.pdf and “Crime in the United States” https://ucr.fbi.gov/crime-in-the-u.s/2016/crime-in-the-u.s.-2016/. Also included are actual crimes reported to the Oklahoma City Police Department occurring within the campus boundaries. Crimes occurring on private property are not included in campus crime statistics.
**Number of Housing Fire Drills Conducted in 2016**

Two – Fire drills are conducted twice a year for the studio apartments (beginning Fall and Spring semesters). Townhouses have two direct exits at grade level and will not be subject to fire drills.

**Description of Facility Fire Systems**

University Village Apartments are equipped throughout with an automatic fire sprinkler system. Each apartment unit is equipped with smoke detectors located in the sleeping areas and immediately outside each sleeping area. Americans with Disabilities Act (ADA) accessible rooms also include visual notification devices. Each apartment unit is equipped with a fire extinguisher. The studio apartments common spaces are equipped with a fire alarm system which includes audio and visual notification devices with manual fire alarm boxes near each exit. All smoke detectors are connected to the fire alarm system which is monitored 24 hours a day 365 days a year by a Certified Fire Alarm Monitoring Company.

**Fire Safety and Emergency Evacuations**

The University Fire Marshal’s Office is involved in plan review and inspections of new and remodeled projects on the OUHSC campus. In addition, this office inspects existing facilities on campus to eliminate potential fire hazards and ensure that the fire and life safety systems located in those buildings are functioning properly. The University Fire Marshal is responsible for the investigation of fires that occur on campus to determine origin and cause. The University Fire Marshal also provides classes to educate students, faculty and staff on the use of fire extinguishers, how to eliminate hazards, and what to do in case of a fire emergency. The Fire Marshal also acts as a liaison between the University and the local fire department on any matters relevant to fire safety and preparedness on campus. Persons can contact the University Fire Marshal’s Office for any general fire safety questions, perceived hazards, or requests for service at (405) 271-5522 ext. 7. In case of a medical emergency or actual fire dial 911. For additional information regarding OUHSC’s Emergency Response Plan please go to: http://www.ouhsc.edu/police/EmergencyManagement/EmergencyResponsePlan.aspx

Evacuation Procedures for Fires and Other Emergencies: Whenever the fire alarm sounds, all occupants must exit the building and meet at the emergency evacuation safe location as designated by the University Village Apartment policies. In case of an actual fire or other emergency, residents will be moved to a designated alternate shelter area until notified it is safe to return to the building and room. When leaving the room, close the door behind you. Students who do not vacate the building during the sounding of the alarm will be subject to disciplinary action.

Upon the sounding of the alarm:

1. Move quickly to the nearest exit for your area. In an orderly fashion, go to the designated waiting area for further instructions.
2. Wear appropriate clothing and shoes if possible. Keep necessary items easily accessible for emergency use. Bring along your keys and ID if possible.
3. If you are away from your room when the alarm sounds, proceed to the nearest exit without returning to your room.

The OUHSC Site Support Department is responsible for day-to-day maintenance and repair of all campus facilities, including student housing. Keys may not be duplicated outside the University. Because certain University departments including, but not limited to, Site Support and the OUHSC PD, must have immediate access to all spaces, as in the event of an emergency, only locks and keys authorized by OUHSC Site Support are to be used on University property.

A student should immediately report a missing key or ID card, whether it be lost, stolen or misplaced. A temporary replacement key and/or temporary ID card will be issued for 48 hours. If, at the end of the 48 hours, the student is unable to locate the original key, the lock to the room will be recombined at a charge to the student of $96. If a student is unable to locate his or her ID card, the student must replace the ID at a replacement charge of $15 at the OneCard office located in the Service Center Building.

**Missing Student Notification Policy**

Students living in the University Village Apartments will be asked to designate an emergency contact person whom the University should contact if the University declares the student missing. The student’s emergency contact information will be collected at the time of move-in.

If a person housed in the University Village is suspected of being missing, the University Village staff member will contact the appropriate staff who will take steps to determine if the student has used University services (meals, door access, labs, etc.) over the last week and will attempt to contact the missing student through the e-mail address and cell phone number on record.

To report a suspected missing student who lives in University Village, contact the Apartment Manager’s Office at University Village or OUHSC PD. If the University cannot contact the student or verify that the student is using campus services, in conjunction with HSC Student Affairs, may classify the student as missing and immediately do the following:

- Submit an official missing person’s report to OUHSC PD.

Upon official notification from a member of the University Village Apartments staff, OUHSC PD will conduct an investigation and if they determine the student has been missing for over 24 hours the following steps will be taken:

- OUHSC PD will contact the designated confidential emergency contact person utilizing the University’s student database. If the student is under 18 years of age, OUHSC PD will immediately contact the custodial parent or legal guardian of the student.
- University Village Apartments staff will contact the office of the Vice President for HSC Student Affairs.
- Within 24 hours of receiving a report of a missing student from the University Village Apartments, OUHSC PD will notify local law enforcement of the report.

**Lost and Found**

The OUHSC PD is the central repository for items lost or found on the OUHSC Oklahoma City campus. Attempts are made to re-unite lost items with their rightful owners. Items lost in campus buildings may be kept by staff there for several days. For items that have been lost several days and not located by staff in the building, check with the OUHSC PD at (405) 271-4300.

Check with staff in the building AND with OUHSC PD immediately if the lost item is of high value or involves the loss of university keys.

For property FOUND on campus, contact (405) 271-4300 to determine where to turn in the found property.
Many offices within Site Support directly or indirectly provide support that enhances security throughout the campus. Site Support is responsible for the operation, maintenance and repair of buildings and associated mechanical equipment on the HSC campus.

Security Equipment, Facility Maintenance and Repair

Site Support will assist departments interested in installing additional security equipment by recommending appropriate systems that can be remotely monitored via OUHSC PD equipment. Site Support is responsible for day-to-day maintenance and repair of all campus facilities, including the University Village. Its duties include routine and preventive maintenance and may consist of repairing window glass, frames and hardware, room and building entrance doors, and stairway, hallway and entry lights.

University Village residents can request emergency repairs by contacting the University Village Office during business hours at (405) 271-0500. After hour emergency repairs will be made by contacting the OUHSC Police Department Dispatcher at (405) 271-4911.

The Site Support Lock Shop issues keys for buildings, offices, classrooms, storerooms and laboratories. Keys may not be duplicated outside of the university.

Police Department

Instructional and administrative facilities are generally open to the public year-round during business hours. OUHSC PD is called upon to allow access to some campus facilities when they are closed to the public. OUHSC PD does not authorize access without the approval of the department or a person with legitimate control of the facility.

Police department efforts directed toward security for facilities are undertaken by Campus Security Officers (CSOs), uniformed personnel trained to perform specific functions that do not require the presence of a commissioned police officer. Radio contact with OUHSC PD provides CSOs direct communication with police officers.

An OUHSC PD Officer is available to address departmental, group or other on-campus security information needs, including assistance in developing departmental security planning and programming and, upon request, risk or security analyses of specific facilities, operations or areas. OUHSC PD also serves as the central alarm and monitoring station for the HSC campus. All electronic security systems (fire, burglar, robbery and other alarms) terminate at the dispatcher’s position. An OUHSC PD member is assigned to evaluate the need for electronic security systems and to help implement suggested plans.

Police officers and CSOs report any observed damage to security hardware, non-operational lights or other potential facility maintenance security problems to Site Support for repair.
HSC Provost Office, OUHSC PD, HSC Student Affairs, Housing and Food Services, and the Office of Human Resources’ Training and Development Division participate in a number of programs to encourage personal safety and security.

- **Sexual Assault Awareness Week (Nov. 13-17, 2017):** Sexual Assault Awareness Week is sponsored by HSC Student Counseling Services. During this week, participants are provided with information and programming focused on interpersonal violence, sexual assault and sexual misconduct.

- **Sooner Safety Week (March 19-23, 2017):** HSC Sooner Safety Week is dedicated to all HSC campus community members to discuss, learn, and promote campus safety. Students, staff and faculty experience topics including weather safety and mental health to a Safety Blitz Fair and tours of the HSC Police Department’s mobile units.

- **Student Counseling Services:** HSC Student Counseling Services (“SCS”) provides students with individual, couples, and group counseling services to all HSC Students. SCS encourages social engagement and interaction through a variety of community activities both on the HSC campus and the OKC area including Walk out of Darkness Suicide Awareness Walk, Sexual Assault Awareness Week, and De-Stress Fest. In addition, SCS runs the Student Advisory Board (“SAB”) which is comprised of staff from SCS and students from the various colleges of OUHSC. The goal of the SAB is to provide an avenue for SCS to find out the needs of the students and for the students in turn, to be informed of services available to them. By having students represented from the various colleges, SCS can get a sense of what concerns are most pressing for the different colleges and how SCS can be most helpful.

- **Security Escorts** provide safe transportation to OUHSC students, staff and faculty. The OUHSC community can simply call (405) 271-4300 for a ride to their vehicle or facility.

- **Our Voice Active Bystander Training:** Our Voice is the name of the University’s Active Bystander campaign, encouraging students, faculty and staff to take positive steps in intervention when they witness inappropriate behavior. As a University community, we can alter behavior and alter what is considered an acceptable cultural norm by actively and positively engaging individuals when we see or hear of problematic behavior. The Institutional Equity & Title IX Office and HSC Student Affairs offers periodic training on how you can be a positive influence and an active bystander. Although the training focuses primarily on the topics of gender discrimination, sexual harassment, and sexual misconduct, the concepts learned in the training translate to any situation. The University community is invited to join us in these training sessions.

**EMERGENCY COMMUNICATION SYSTEM**

In the event of a significant emergency or dangerous situation, the University will send an alert message via its Emergency Communication System (ECS). This system allows OUHSC to contact students, faculty and staff within minutes by telephone, e-mail and instant messaging when an emergency exists. It is our belief that continuous and rapid notification is one of the best protections available for members of our community. Situations can change rapidly and in unexpected ways.

The success of the system depends upon accurate and current contact information being supplied and updated by students, faculty and staff. With this system, members of the OUHSC community enter several contact phone numbers to be notified, which may include their cell phone and their parent’s or other family member’s phone number as well as their e-mail and text message addresses. Any contact information provided will be kept secure and be used only for emergency notification purposes. For additional information on the ECS go to http://www.ouhsc.edu/ecs/.

The OUHSC Emergency Communication System is but one part of the emergency notification procedures in place at OU. Additionally, if there is ever an emergency on any of OU’s three campuses, students, faculty and staff as well as parents and alumni can visit the OU home page at www.ou.edu or OUHSC home page at http://www.ouhsc.edu. The university will provide regular updates on the home pages as information becomes available. OUHSC will continue to use mass e-mail as back-up notification as well.
Numerous police and security agencies are located next to the OUHSC campus, including Oklahoma Medical Research Foundation Security, Veteran’s Administration Medical Center Police and the Oklahoma Highway Patrol Troop R. OUHSC Police personnel work closely with each of the above listed agencies, as well as the Oklahoma City Police Department and the Oklahoma County Sheriff’s Office regarding crimes that occur in the area of the campus that may have an impact on the safety of the campus community. OUHSC PD is open 24 hours a day, seven days a week for your protection, responding to all police, fire, environmental and medical emergencies.

The OUHSC Police Communication Specialists monitor various campus sites by card access and closed-circuit television cameras. The Communications Specialists are in constant contact with other police and criminal justice agencies throughout the United States via a national Teletype system.

OUHSC police officers are governed by the same powers as sheriffs and municipal police officers. They have the same authority to enforce state laws on campus property, including making arrests when appropriate. OUHSC also has a jurisdictional agreement with the City of Oklahoma City to enforce state laws within the area of concurrent jurisdiction. In addition to providing police services for the University, police officers are assigned to hospitals and other entities within the campus jurisdiction. Our general jurisdiction is I-235 to Lottie and NE 4th Street to NE 16th Street, for detailed concurrent jurisdiction, see this link: http://www.ouhsc.edu/police/AboutUs/JurisdictionalBoundaries.

Contacting OUHSC PD

All emergencies should be reported immediately by calling 911 from any land line on or off campus. Dialing 911 from any other phones, including cellular phones, will likely go to the Oklahoma City Police Department. The blue emergency phones on campus will connect you to a dispatcher. These phones also can be used to request vehicle assistance or campus directions.

Students also are welcome to contact an OUHSC PD officer in person at the department’s headquarters, 934 NE 8th Street. For non-emergencies and business matters, call (405) 271-4300.
OUHSC PD is responsible for coordinating and providing emergency and public safety services to the HSC campus. Its principal functions are:

- Law enforcement and related services
- Coordination of security for the campus community, institutional facilities and assets
- The University has designated a single number, 271-4911, to be used from any campus telephone for reporting all emergencies. Trained dispatchers monitor this line 24 hours a day, 365 days a year. Adhesive decals displaying the emergency number are available for all campus telephones.
  - To report a crime in progress or a crime that just occurred call 1-4911.
  - Emergency 911 telephone calls from any other phone to include cellular telephones will not be answered by OUHSC PD but will be directed to a Oklahoma City Police Department's 911 Call Center.

Emergency telephones at outdoor locations around the campus provide a readily accessible means for directly contacting the OUHSC PD dispatcher. Each emergency telephone is identified with a blue sign reading “EMERGENCY” and a blue light. These telephones may be used to request service or obtain other information and assistance as needed. No coin or dialing is necessary.

Emergencies

OUHSC PD provides all law enforcement services, including the investigation of criminal offenses and traffic collisions occurring on campus, and handles official reports relating to those incidents. To report a crime in progress or a crime that just occurred call 911. To report a criminal incident after the fact in which no one was injured, the suspect has left the area, and there does not appear to be any physical evidence and there are no other circumstances that would necessitate the immediate presence of a police officer, call (405) 271-4911.

While appointments with officers to make reports are always subject to an emergency or higher priority call, every effort is made to take the report in a manner most convenient to the reporting party.

Emergency Communication System Web address: http://www.ouhsc.edu/ecs/
National surveys indicate that there is a tremendous increase in cyberstalking incidents among college women. Cyberstalking is threatening or harassing behavior directed at another using the Internet or other forms of online and computer communications. Victims can be targeted through chat rooms, message boards, discussion forums and social networking sites. This type of harassment is a misuse of OU computing resources and a violation of the Student Code. Where incidents are based on gender, it also is a violation of the university’s Sexual Misconduct Policy. Victims should consider filing a report of any harassing behavior with OUHSC PD.

Online Cyberstalking

The campus community works together to make the university a safer place. As part of that effort, OUHSC PD occasionally utilizes “Timely Warnings”, “Emergency Notifications”, or “Crime Alert” bulletins. The OUHSC PD Timely Warning and Emergency Notifications policy can be reviewed annually in the HSC Sooner Safety and Fire Report. Members of the campus community can request services or repairs and report hazards, ranging from problems with outdoor lighting to fire safety issues by calling OUHSC PD at (405) 271-4300.

All members of the university community and visitors are encouraged to call 911 if they observe any person or object of a suspicious nature.
OUHSC PD officers are responsible for ensuring that every survivor or witness of a crime involving sexual assault or domestic abuse is informed about the medical treatment, counseling and monetary compensation available to them. As preservation of evidence is vital to pursuit of the perpetrator and proof of criminal sexual assault, all crimes involving sexual or domestic assault should be immediately reported by calling 911.

Every survivor of a crime has the right to be informed about how his or her case will be handled by OUHSC PD, which will:

- Provide the case number assigned to the victim’s case, if requested
- Explain the processing of a criminal case
- Provide guidance on how to obtain information about the processing of the case
- Provide the main OUHSC PD telephone number to enable a survivor to request information about the status of his or her case.

At a minimum, OUHSC PD will provide survivors with the following information:

- Sexual Misconduct Officer telephone number
- HSC Student Affairs telephone number
- State Department of Mental Health telephone number
- Rights of victim of Domestic Violence and Sexual Assault Information Sheet

HSC Student Affairs: (405) 271-2416. HSC Student Affairs will assist survivors of a sexual assault, relationship violence, stalking, and sexual harassment with changing the survivor’s academic schedule, as requested and when reasonably available. HSC Student Affairs will work with the Admissions and Records office and the student survivor’s respective college to respond to the survivor’s request. Survivors who are living in on-campus housing may also request relocation to another unit. Unit availability will be considered.

OU Advocates: The purpose of OU Advocates is to provide support, advocacy and a coordinated response to members of the University of Oklahoma community who experience sexual assault, relationship violence, stalking or gender-based harassment. OU Advocates are university staff members and can assist with advocacy within medical and legal communities, connect victims with counseling services and other support resources, as well as provide referrals for additional services. OU Advocates are available 24 hours a day, 7 days a week at (405) 615-0013.
Sex Offender Registration

Students or employees who are required to register as sex offenders or violent offenders must promptly register in person with OUHSC PD, in addition to registering with any other required authorities. According to the Sex Offenders Registration Act, 57 O.S. § 581-590.2 and the Mary Rippy Violent Crime Offenders Registration Act, 57 O.S. § 591-599.1, failure to promptly register is a felony.

The Oklahoma Department of Corrections provides a sex offender registry for public viewing at the following website: http://docapp8.doc.state.ok.us and the national registry at nsopw.gov/en-us/registry. The sex offender registry for other states can be viewed at: http://www.fbi.gov/hq/cid/cac/states.htm or http://www.familywatchdog.us. Information on federal prisons can be viewed at: http://www.bop.gov. Please remember that only offenders convicted after November 1999 will be included in the sex offender registries. For more information, contact OUHSC PD at (405) 271-4300.

Sexual Assault Awareness Week

HSC Student Counseling Services hosts Sexual Assault Awareness Week (SAAW) on an annual basis. All SAAW programming is structured to increase awareness of sexual assault and domestic violence and provide local resources. Activities include, but are not limited to, self-defense classes by OUHSC PD, Clothesline Project, personal pledges, presentations, and other outreach about sexual assault.

For more information, contact HSC Student Counseling Services at (405) 271-2416.

Sexual Misconduct, Harassment, and Discrimination Policy

Note: In compliance with federal law, the disclosures below reference legal terms such as “rape,” “sexual violence,” “stalking,” “domestic violence,” etc. The University of Oklahoma’s disciplinary process does not enforce criminal law. Thus, University policies use terms such as “sexual misconduct,” “non-consensual sexual intercourse,” “non-consensual sexual contact,” “sexual exploitation,” and “sexual harassment” that overlap significantly with legal definitions, but are policy-based not criminal in nature. Additionally, domestic violence, dating violence, and stalking can also be violations of the University’s Sexual Misconduct, Discrimination, and Harassment Policy, when motivated in whole or in part by the sex or gender of the alleged reporting party. To review the Sexual Misconduct, Discrimination, and Harassment Policy in its entirety, visit ou.edu/content/eoo.

The University of Oklahoma strives to create a safe environment for all faculty, staff, and students. Sexual violence, dating violence, domestic violence, stalking and other forms of gender-based discrimination are prohibited under the University’s Sexual Misconduct, Discrimination, and Harassment Policy and may also be considered crimes. The University encourages the reporting of such incidents to administrative officials as well as law enforcement. Reporting parties are reminded that they may seek law enforcement and/or University investigations and intervention when a violation is committed by a member of the University community, regardless of where the violation occurs. Even if an individual does not wish to file a formal complaint or report to law enforcement, the University may still take immediate action to end the misconduct, address the effects, and prevent its recurrence. Consistent with federal law, the following information details University policy and procedures with regard to sexual misconduct, discrimination, and harassment.

University Policy Regarding Sexual Misconduct and Oklahoma Legal Definitions

The University defines the following as prohibited conduct under the Sexual Misconduct, Discrimination, and Harassment Policy:

Sexual Violence means physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent. A number of acts fall into the category of sexual violence, including rape, sexual violence, sexual battery and sexual coercion.

Non-Consensual Sexual Intercourse is defined as any sexual intercourse or penetration of the anal, oral, vaginal, or genital opening of the victim, including sexual intercourse or penetration by any part of a person’s body or by the use of an object, however slight, by one person to another without consent or against the victim’s will. This definition includes rape and sexual violence.

Non-Consensual Sexual Contact is any intentional touching, however slight, whether clothed or unclothed, of the victim’s intimate body parts (primarily genital area, groin, inner thigh, buttck or breast) with any object or body part, without consent and/or by force. It also includes the touching of any part of a victim’s body using the perpetrator’s genitalia and/or forcing the victim to touch the intimate areas of the perpetrator or any contact in a sexual manner even if not involving contact of or by breasts, buttocks, groin, genitals, mouth or other orifice. This definition includes sexual battery.

Sexual Coercion is unreasonable pressure for sexual activity by using pressure (including physical or emotional pressure, intimidation, or threats), alcohol, medications, drugs, or force to have sexual contact against someone’s will or with someone who has already refused. This includes rape, sexual violence, sexual exploitation and sexual misconduct.

Sexual Exploitation occurs when a person takes non-consensual, unjust or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior may not otherwise constitute one of the other sexual misconduct offenses. Examples of sexual exploitation include, but are not limited to: non-consensual video or audio-taping of any form of sexual activity; going beyond the boundaries of consent (such as letting a person or people hide in the...
closet to watch you having consensual sex without your partner’s knowledge or consent); sexually based stalking or bullying; engaging in non-consensual voyeurism, such as observing sexual acts or body parts of another from a secret vantage point; knowingly transmitting a sexually transmitted disease or illness to another; exposing one’s genitals in a non-consensual circumstance, or inducing another to expose his or her genitals; prostituting another person; and other forms of invasion of sexual privacy.

**Consent** is the act of willingly agreeing to engage in sexual contact or conduct. Individuals who consent to sex must be able to understand what they are doing. Under this policy, “No” always means “No,” and the absence of “No” may not mean “Yes”. Consent is informed, knowing and voluntary. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable permission regarding the conditions of sexual activity. Consent to one form of sexual activity cannot imply consent to other forms of sexual activity. Previous relationships or consent does not imply consent to future sexual acts. Consent cannot be procured by use of physical force, compelling threats, intimidating behavior, or coercion.”

**Dating Violence** is violence between individuals in the following circumstances:

a. The party is or has been in a social relationship of a romantic or intimate nature with the victim; and
b. The existence of such a relationship shall be determined based on a consideration of the following factors:
   - Length of the relationship
   - Type of relationship
   - Frequency of interaction between the persons involved in the relationship

d. Any other person against an adult or youth victim who is protected from that person’s acts under Oklahoma domestic or family violence laws.

**Stalking** is defined as engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

a. Fear for the person’s safety or the safety of others, or
b. Suffer Substantial emotional distress.

For the purposes of this definition, course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens or communicates to or about a person or interferes with a person’s property.

**Emotional Distress** means significant mental suffering or distress that may, but does not necessarily require, medical or other professional counseling.

The term “consent” means the affirmative, unambiguous and voluntary agreement to engage in a specific sexual activity during a sexual encounter which can be revoked at any time.

**Consent cannot be:**

1. Given by an individual who:
   a. is asleep or is mentally or physically incapacitated either through the effect of drugs or alcohol or for any other reason, or
   b. is under duress, threat, coercion or force; or
2. Inferred under circumstances in which consent is not clear including, but not limited to:
   a. the absence of an individual saying “no” or “stop”, or
   b. the existence of a prior or current relationship or sexual activity.

University Policy on Sexual Harassment
University policy prohibits sexual harassment as a form of misconduct that undermines the integrity of the academic environment. All members of the University community, especially officers, faculty, and other individuals who exercise supervisory authority, have an obligation to promote an environment that is free from sexual harassment. Under University policy, sexual harassment is unwelcome and discriminatory speech or conduct undertaken because of an individual’s gender or that is sexual in nature and is so severe, pervasive, or persistent, objectively and subjectively offensive that it has the systematic effect of unreasonably interfering with or depriving someone of educational, institutional, or employment access, benefits, activities, or opportunities. Sexual harassment is also the conditioning/denial of benefits or privileges based upon another’s agreement or refusal to submit to sexual advances. Students, employees, and visitors who are subject to, or who
witness unwelcome conduct of a sexual nature, are encouraged to report the incident(s) to appropriate University officials.

**Examples of Harassment:** Not all workplace or educational conduct that may be described as “harassment” affects the terms, conditions, or privileges of employment or education. For example, a mere utterance of a gender-based label which creates offensive feelings in an employee or student would not normally affect the terms and conditions of their employment or education. However, other circumstances may negatively affect the employment or educational environment, such as:

- A professor insists that a student have sex with him/her in exchange for a good grade. This is harassment regardless of whether the student agrees to the request.
- A student repeatedly sends sexually oriented jokes in an email list s/he created, even when asked to stop, causing one recipient to avoid the sender on campus and in the residence hall in which they both live.
- Explicit sexual pictures are displayed on an exterior door, or on a computer monitor in a public place.
- Two supervisors frequently “rate” several employees’ bodies and sex appeal, commenting suggestively about their clothing and appearance within their earshot.
- A professor engages students in discussions in class about their past sexual experiences, yet the conversation is not in any way related to the subject matter of the class. The professor probes for explicit details, and demands that students respond to him/her, though they are clearly uncomfortable and hesitant.
- An ex-girlfriend widely spreads false stories about her sex life with her former boyfriend to his clear discomfort, making him a social outcast on campus.

Any complaints or inquiries regarding sexual harassment of a student by an officer, faculty member, or staff member should be brought to the immediate attention of the Equal Opportunity Officer and Title IX Coordinator, Bobby Mason, at (405) 325-3549, bjm@ou.edu. Any complaints or inquiries regarding sexual harassment of a student by another student should be brought to the immediate attention of Sexual Misconduct Officer, Amy O’Neill, at (405) 325-2215, aao@ou.edu, or the Title IX Coordinator. The University will investigate such claims promptly and thoroughly. If, for any reason, a student/employee wishes to complain or inquire about sexual harassment, but feels it would be inappropriate to raise such issues with the Title IX Coordinator or Sexual Misconduct Officer, the student/employee may inquire or complain to any Department Chair or any officer of the University at the level of Vice President or above, and such inquiries or complaints will receive a prompt and thorough investigation through the appropriate office.

The University prohibits retaliation against any person because of participation in a complaint or the investigation of discrimination, sexual harassment or sexual misconduct. Prohibited behavior includes any attempt to penalize or take an adverse educational, employment or institutional benefit action, including but not limited to making threats, intimidation, reprisals or other adverse action.

Reporting parties are not required to report an incident to law enforcement (campus or local), but have the right to report to either, both, or neither. A student or employee wishing to report an incident to campus law enforcement may do so by contacting the OUHSC Police Department at (405) 271-4911. Campus authorities will also assist a reporting party in making a report with local law enforcement if he/she wishes to do so. A reporting party can also contact the Oklahoma City Police Department at (405) 231-2121.

On campus, some resources may maintain confidentiality with regard to reports of sexual harassment or discrimination. These resources can offer options and advice without an obligation to inform University officials unless you request that the information be shared. Parties wishing to report confidentially may do so by contacting:

- HSC Student Counseling Services: (405) 271-7336
- OU Advocates: (405) 615-0013
- University of Oklahoma Ombudsperson: Gloria White (405) 325-3297 (for faculty/staff only)
- Additionally, attorneys, clergy members, licensed counselors or physicians who are engaged in such capacity may keep such reports confidential.

With limited exceptions, all University employees are mandatory reporters and must report conduct that could constitute a violation of the Sexual Misconduct, Discrimination and Harassment Policy. Supervisors, managers and faculty members with administrative duties or student supervisory duties are responsible for taking all appropriate action to prevent sexual misconduct, discrimination and harassment, to correct it when it occurs, and must promptly report it to the Sexual Misconduct Officer, Amy O’Neill, (405) 325-2215, or another other appropriate University official (e.g., the Equal Opportunity Officer and Title IX Coordinator, Bobby Mason, (405) 325-3549, or any of the University’s Associate Title IX Coordinators). Failure to do so may result in disciplinary action up to and including termination.

If you are the victim of sexual or gender-based violence, or the crimes of rape, acquaintance rape, sexual violence, sexual harassment, stalking, dating violence, or domestic violence, some or all of these suggestions may guide you after an incident has occurred:

1. If there is any immediate danger, call 911. Otherwise, contact the OUHSC Police Department at (405) 271-4911 if the incident occurred on campus or the Oklahoma City Police Department at (405) 231-2121 if the incident occurred off campus in Oklahoma City. If the incident occurred anywhere else, contact the law enforcement agency with jurisdiction over that location. OUPD can help direct you to the appropriate agency.

2. Go to a safe place and speak with someone you trust. Tell this person what happened. If possible, record the names of any witnesses and their contact information. Try to recall details (e.g., physical description, names, license plate number, car description, etc.), or even better, write notes to remind you of details if you have the time and ability to do so. If you have injuries, photograph or have them photographed, with a date stamp on the photo.

3. To preserve evidence, it is recommended that you do not bathe, shower, douche, eat, drink, smoke, brush your teeth, change clothes, or alter the scene of the incident. Preserving evidence is critical for a criminal prosecution and can also be useful in a campus investigation or in obtaining an external
4. The Oklahoma City Rape Crisis Center, (405) 943-7273, can provide advice and discuss options for how to proceed. OU students and employees can also contact OU Advocates at (405) 615-0013 (phones answered 24/7) for support and assistance. The OU Advocates can also assist with any needed advocacy for students/employees who wish to obtain protective or restraining orders from local authorities.

5. For your safety and well-being, immediate medical attention is encouraged. Further, being examined as soon as possible, ideally within 120 hours (five days), is important in the case of rape or sexual violence. The Norman Regional Hospital emergency room (301 N. Porter) can care for any physical injuries you may have and provide other services related to sexual violence. The Norman Rape Crisis Center can also arrange for a specific forensic medical examination to be conducted.

6. In instances of dating violence, domestic violence, and stalking it is suggested that you obtain medical assistance and reports where appropriate, observe the recommendations noted above, and retain all documentation, emails, voice mail messages, etc., related to the incident or activity. Also, the OU Advocates, (405) 615-0013 (phones answered 24/7), can assist you with safety plans, obtaining reporting party’s protective orders, administrative No Contact Orders, referrals to available resources, and law enforcement assistance.

7. If you obtain an external order of protection (e.g., victim protective order, restraining orders, injunctions, protection from abuse), please notify OUHSC PD at (405) 271-4911 and the campus Title IX Coordinator or Sexual Misconduct Officer at (405) 325-2215, so that those orders can be observed on campus.

Reporting parties may request certain interim measures or other assistance and no formal complaint or investigation, administrative or criminal, need occur before these options are available. Examples of interim measures that the University may be able to provide include:

- Assistance in filing a complaint with the University and appropriate law enforcement agencies
- Assistance in filing for an Emergency Protective Order
- No Contact Order
- Change of class schedules and academic support
- Alternate housing arrangements
- Transportation arrangements and campus escorts
- OU Advocates
- Counseling services
- Blocking emails
- Other measures, as needed

University Procedures for Addressing Policy Violations of Sexual Misconduct, Discrimination and Harassment Policy

When the University receives a report of sexual misconduct, sexual violence, gender-based violence, stalking, dating violence and/or domestic violence, sexual harassment, or other gender-based discrimination, the campus Title IX Coordinator is notified. If the complainant wishes to access local community agencies and/or law enforcement for support, the University will assist the complainant in making these contacts. The Title IX Coordinator or his/her designee will offer interim or long-term measures such as opportunities for academic assistance, changes in housing for the complainant or the respondent, changes in working situations as well as other assistance that may be appropriate and reasonable available on campus or in the community (such as health care, legal assistance, visa and immigration assistance, No Contact Orders, campus escorts, transportation assistance, targeted intercessions, etc.) If the complainant so desires, he/she will be connected with a counselor or victim’s advocate on or off campus. No complainant is required to take advantage of these services and resources. In addition, the University will provide academic, living, transportation, and employment assistance or other protective measures if the victim request them and they are reasonably available, regardless of whether the complainant choose to report the crime to campus police or local law enforcement. A written summary of rights, options, support resources and procedures are provided to all complainant regardless of whether they are students, employees, guests or visitors.

If the complainant requests, or the University believes it is necessary, the Title IX Coordinator or designee will initiate a prompt, fair and impartial process to be initiated, commencing with an investigation. An investigation may lead to a finding that University policy has been violated, based upon a preponderance of evidence standard (which is what is more likely than not to have occurred), and sanctions may be imposed upon the accused. Policy violations involving students will be referred to Student Conduct for appropriate disciplinary actions. If a finding is made against an employee, the Title IX Coordinator will discuss disciplinary action with the appropriate Executive Officer. If a finding is made against a faculty member, the Title IX Coordinator, in consultation with the Provost, shall recommend appropriate discipline. The investigation and resolution process can be found online at ou.edu/eco/policies-procedures/non-discrimination.

In any complaint of sexual violence, stalking, dating violence, domestic violence, or other gender-based discrimination covered under Title IX, the complainant and the respondent are entitled to the same opportunities for a support person or adviser of their choice throughout and to fully participate in the process, including any meeting, conference, hearing or other procedural action. Once an investigation is complete, the parties will be informed of the outcome, in writing, including the finding, the sanctions (if any) and the rationale therefore. Delivery of this outcome to the parties will occur without undue delay between notifications. All parties will also be informed in writing of their right to exercise a request for appeal and University appeal procedures (as detailed in Student Code, Faculty Handbook, or Investigative Process for sexual misconduct complaints) depending on the parties involved and the circumstances of the allegation. Should any change in outcome occur prior to finalization, all parties will be timely informed in writing, and will be notified when the results of the resolution process become final. All processes shall be conducted in a prompt and fair manner, and generally should take place within sixty (60) days.

The investigation and records of the resolution conducted by the University are maintained confidentially. Information is shared internally between administrators who need to know. Where information must be shared to permit the investigation to move forward, the reporting party will be informed. Privacy of the records specific to the investigation is maintained in accordance with Oklahoma law and the federal Family Educational Rights and Privacy Act of 1974 (FERPA) statute. Any public release of information to comply with the open crime logs or timely warning provisions of the Jeanne Clery Act (Clery Act) will not release the names of reporting parties or information that could easily lead to a reporting party’s identification. Additionally, the University maintains privacy in relation to any accommodations or protective measures afforded
to a victim, except to the extent necessary to provide the accommodations and/or protective measures.

The Title IX Coordinator is ultimately responsible for assuring in all cases that the behavior is brought to an end, the University acts to reasonably prevent its recurrence and the effects on the reporting party and the community are remedied. Accordingly, the Title IX Coordinator in conjunction with other offices, including Student Conduct, Student Affairs, Legal Counsel, and Human Resources, is also responsible for assuring that training is conducted annually for all advocates, investigators, hearing officers, panelists and appeals officers. Training will focus on sexual misconduct, domestic violence, dating violence, sexual violence, stalking, sexual harassment, retaliation, and other behaviors that can be forms of sex or gender discrimination covered by Title IX. Training will help those decision-makers associated with the process to protect the safety of reporting parties and to promote accountability for those who commit offenses.

Consequences/Sanctions for Sexual Violence and Other Sexual Misconduct Policy Violations
In the event that sexual violence, sexual misconduct, sexual harassment, stalking, dating violence, domestic violence, gender-based crimes or violence does occur, the University takes the matter very seriously. The University employs protective measures such as interim suspension and/or administrative No Contact Orders in any case where a student’s/employee’s behavior represents a risk of violence, threat, pattern, or predation. A student/employee who is found to have committed sexual violence or other serious sexual misconduct on or off campus may be subject to immediate suspension or dismissal/termination. If a student/employee is accused of sexual violence/misconduct, other gender-based violence or the crime of rape, sexual violence, sexual harassment, stalking, dating violence or domestic violence, s/he is subject to action in accordance with the Sexual Misconduct, Discrimination, and Harassment Policy, as well as the Student Conduct Code and Procedures located at ou.edu/studentconduct and the Faculty and Staff Handbooks.

A. Sanctions for students found to have committed a violation of this policy can include the following.
Sanctions not on this list may be issued when deemed appropriate by the University.
1. Verbal Warning: A verbal notice that the behavior was inappropriate.
2. Written Warning: A written statement that the behavior was inappropriate, which will remain on the student’s University disciplinary record for a specified period of time or until the student meets certain conditions.
3. Disciplinary Probation: A written statement that the behavior was inappropriate and should subsequent violations occur, the University will take more serious conduct action up to and including suspension or expulsion. This can include exclusion from University affiliated entities, including student organization activities for a period of time or until the student meets certain conditions. Disciplinary probation will remain on the student’s disciplinary record for a specified period of time or until the student meets specified conditions.
4. Educational Sanctions: A specific number of hours of community service, completion of a reflection or research paper, attending a class, program or lecture, attending counseling, or other actions.
5. Restitution: Repayment for damages or misappropriation of property. This may include monetary compensation or other related service(s), such as cleaning or restoration.
6. Administrative Fee: Administrative fees for educational programs and presentations as well as policy related administrative costs, which are assessed directly to the student’s Bursar account. A financial stop may be placed on the student’s record if the student fails to pay the administrative fee by the due date. This stop may prevent the student from registering for future terms or adding or dropping courses.
7. University-owned Housing Reassignment or Termination: Reassignment to another University-owned housing unit, exclusion from certain University-owned properties or termination of the student’s housing agreement.
8. **Administrative Trespass**: Denial of access to all or a portion of campus, except for limited periods and specific activities with the permission of the appropriate University official, as designated by the University Vice President for Student Affairs or other appropriate administrative official vested with such authority. Should the student enter campus without written permission, the appropriate University official or the campus police may take action.

9. **Suspension**: Exclusion from the University and all campuses governed by the Board of Regents of the University of Oklahoma for a specific period of time or until the student meets certain conditions, following which the student may be permitted to re-enroll or apply for readmission to the University, as applicable.

10. **Expulsion**: Exclusion from the University and all campuses governed by the Board of Regents of the University of Oklahoma for an indefinite period of time, a record of which remains on file permanently.

11. **Restriction or Denial of University Services**: Restriction from use or denial of specified University services, including participation in University activities.

12. **Delayed Conferral of Degree**: Delay of issuance of a student’s diploma for a specified period of time or until the student meets certain conditions.

B. **Sanctions for employees** can include verbal/written reprimands, required counseling/training, community service, administrative leave with or without pay, removal of supervisory or other roles/duties, conduct agreements, other sanctions as deemed appropriate, or termination.

C. **For offenses including sexual misconduct or gender-based discrimination**, such as sexual violence, domestic violence, dating violence, and stalking, sanctions range from warnings through expulsion/termination as described above. Serious and violent incidents and acts of non-consensual sexual intercourse (the policy equivalent to the crime of rape) can result in suspension, expulsion or termination of employment.

D. **Disciplinary action** for sexual harassment can include verbal or written warnings, disciplinary probation, required educational training, or other remedial measures as appropriate. Repeated or serious violations may result in immediate termination from employment or dismissal from the University.

### University Education and Programming

In an effort to reduce the risk of sexual violence, dating violence, domestic violence, stalking and sexual harassment from occurring among its students and employees, the University provides awareness and prevention programs. It is the policy of the University to offer educational programming to help prevent these occurrences. Educational programs are offered to raise awareness for all incoming students and employees, and are often conducted during new student training and new employee orientations as well as through mandatory online training throughout the semester. These programs and others offered throughout the year include strong messages regarding not just awareness, but also primary prevention (including normative messaging, environmental management, and bystander intervention), and discuss institutional policy and disciplinary procedures with regard to sexual misconduct as well as Oklahoma definitions of sexual violence, dating violence, domestic violence, stalking, and consent in reference to sexual activity. Programs also offer information on risk reduction that strives to empower victims, and provides instruction on recognizing warning signals and avoiding potential attacks, without applying victim-blaming approaches.

Programs are informed by evidence-based research and/or are assessed for their effectiveness. Bystander intervention is encouraged through safe and positive intervention techniques and by empowering third-party intervention and prevention such as:

- Diverting the intended victim (e.g., “help me out of here; I don’t feel well”)
- Distracting the perpetrator (e.g., “looks like your car is being towed”)
- Confronting the perpetrator (e.g., “don’t speak...
Sexual Misconduct, Harassment, and Discrimination Policy

- Using intervention-based cellular phone apps
- Identifying allies
- Calling for help

Throughout the year, ongoing awareness and prevention campaigns are directed to faculty, staff, and students, often taking the form of campaigns (including posters, newspaper advertisements, stakes, banners, T-shirts, shopping bags, magnets, brochures, fliers, tabling at campus-wide events, video messaging at sporting events, One Sooner Can Make a Difference/Active Bystander Training for students, faculty and staff, Step In, Speak Out peer educator training, LGBTQ Ally training for faculty, staff, and students, and Alcohol Awareness training for incoming freshman, emails, guest speakers, and events such as Take Back the Night, The Red Flag Campaign, Safe Break, White Ribbon Campaign, D8ME campaign for healthy relationships, Domestic Violence Awareness Month, Sexual Violence Awareness Month, Rape Awareness Week, and Stalking Awareness Month. See also notonourcampus.ou.edu and https://www.ou.edu/content/studentlife/diverse_communities.html.

Sex Offenders

In accordance with the Campus Sex Crimes Prevention Act of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, the University is providing a link to the Oklahoma State Sex Offender Registry. All sex offenders are required to register in the State of Oklahoma and to provide notice of each institution of higher education in Oklahoma at which the person is employed, carries a vocation or is a student. See sors.doc.state.ok.us/svor/f?p=119:1:.

In addition to the above notice to the State of Oklahoma, all sex offenders are required to deliver written notice of their status as a sex offender to the University’s campus police department (OUPD) no later than three (3) business days prior to their enrollment in, employment with, volunteering with, or residence at the University. Such notification may be disseminated by the University to, and for the safety and well-being of, the University community, and may be considered by the University for enrollment and discipline purposes. Failure to comply with these requirements may result in disciplinary sanctions up to and including suspension, expulsion, dismissal, or termination.

Information Relevant to the Arezzo, Italy Facilities

The information contained within this report is equally applicable to the Arezzo, Italy, facilities. The same policies and procedures regarding Sexual Misconduct, Discrimination and Harassment apply. If a student, faculty or staff member wishes to file a complaint about a policy violation while in Arezzo, they should contact Charlotte DuClaux at (338) 941-4915 or the Sexual Misconduct Office directly at 001-405-325-2215 (Amy O’Neill, Sexual Misconduct Officer, or Bobby Mason, Title IX Coordinator), aao@ou.edu. Investigation of complaints will be conducted in the same manner as noted in the Sexual Misconduct, Discrimination and Harassment Policy found online at ou.edu/eoo; however, additional assistance from University staff located in Arezzo or the use of skype-type services may be utilized to conduct the investigation.

Where there is an immediate concern for the Arezzo locations because of a complaint involving a faculty or staff member, the accused individual may be immediately removed from the location pending the investigation. Where the complaint involves an accused student, Student Code provisions permit the Arezzo Program Director with approval of the University Vice President for Student Affairs to remove the accused student from the location pending the investigation. See ou.edu/studentconduct/policies.html under the tab “Direct Administrative Action Procedures Applicable for Study Abroad Programs.”

In addition to the education and programming individuals receive on the Norman campus noted above, faculty, staff, and students traveling to Arezzo receive specific study abroad orientation trainings on how the policies apply to them abroad, and what to do should they become a victim while abroad. The OU Advocates provide assistance for reporting parties in Arezzo and may be contacted at 001-405-615-0013 (phones...
answered 24/7). Additionally, Arezzo Student Affairs can provide support and assistance. Contact Charlotte DuClaux, Arezzo Student Affairs Director, at (338) 941-4915. Local law enforcement in Arezzo may be contacted by calling 39-0575-4001.

Local laws concerning whether certain actions are considered crimes in Italy differ from the definitions for the same crimes in the state of Oklahoma. For example, rape is defined as sexual violence: “Whoever by force or by threat or by abuse of authority, forces another person to make or submit to sexual acts shall be punished with imprisonment from 5 to 10 years.” Consent is defined as “the age at which a person is considered capable of giving informed consent to behavior governed by law, and in particular sexual relations.” Stalking is considered “repeated conduct, threats or harassment of someone so as to cause a severe and continual state of anxiety or fear, or give rise to a well-founded fear for the safety of self or a close relative or person bound by the same loving relationship or to compel the same to alter their lifestyle habits.” Domestic violence is considered “abusive behavior by one or both partners in an intimate relationship of the couple, such as marriage and cohabitation. Manifests itself in many forms, such as sexual abuse, physical assault, threats of assault, intimidation, control, stalking, psychological violence, neglect, economic deprivation.”

Also, the United States Embassy in Italy has detailed information on best practices with respect to seeking medical and legal assistance (including how to report a crime, what to expect if you seek medical attention or law enforcement assistance as well as a list of English-speaking doctors) if you are a victim of a crime in Italy. Please see: it.usembassy.gov/u-s-citizen-services/ for more information.

**Safety and Security Tips**

**On Campus:**
- Never walk alone at night. Call a friend or (405) 271-4300 for an OUHSC PD safety escort.
- Always be aware of your surroundings. Walk purposefully and make eye contact with strangers.
- In parking lots, have keys ready when you approach your car to make your entry easier.
- After dark, try to park in a well-lit area close to your destination.
- Always lock car doors and roll up windows. Keep valuables out of sight or in the trunk.
- If you feel threatened, immediately go to an open building where there are other people or to one of the “blue light” emergency phones around campus.
- Never leave personal items unattended or unlocked.
- Emergency 911 telephone calls will be answered by Oklahoma City Police Department’s 911 Call Center. For faster assistance, please advise the dispatcher who answers the telephone that your emergency is occurring on the OUHSC campus and request to be forwarded to the OUHSC PD Communications Center.

**At Home:**
- Always lock apartment or home doors, even when you are there. Take keys with you, even when stepping out for “just a second.”
- Don’t lend out your keys or leave them lying around. Detach house keys from the main ring when having vehicles serviced.
- Utilize peepholes or safety chains. Don’t open doors without verifying the identity of the person on the other side.
- Don’t keep expensive jewelry, collectibles or large amounts of cash at home.
- Don’t advertise your absence, especially on your answering machine or any social networking sites. Put only a basic message on your machine identifying the phone number and requesting that callers leave a message.
- Don’t open doors without verifying the identity of the person on the other side.
- Don’t give out information simply because it is requested.
- Giving out birthdates, full names, addresses, phone numbers, Social Security numbers, bank or credit card account information and other personally identifiable information can lead to identity theft and cyberstalking.
- Select gender-neutral usernames.
- Protect your passwords.
- Be cautious about posting pictures of yourself, as stalkers sometimes can become obsessed by photos or images.
- Versions of online information can be archived, so once you post information, deleting it does not ensure that it is no longer available online.
- Be cautious about arranging personal meetings with new online acquaintances.
- Only post information that you are comfortable having others see, including parents, potential employers, instructors, etc.
- Trust your instincts.

**In Social Situations:**
- When dating someone you do not know well, ask people you trust about your date.
- Socialize in groups so that you’re not alone with just one person. There really is safety in numbers.
- Drive yourself and carry extra money in case you need to get home alone.
- If you feel uncomfortable, there is probably a reason. It’s better to do something you may consider rude than to remain in a dangerous situation.
- Remember that alcohol impairs both your decision-making processes and the ability to communicate.
- Keep all drinking glasses, bottles or other open containers in sight at all times. When accepting a drink of some kind, make sure that you open the container yourself and be aware that ice cubes could contain harmful substances as well.
- If you drink, DO NOT drive. Call a taxi or friend, to get home safely.

**Avoid Identity Theft:**

Identity theft is the nation’s fastest-growing crime. If you become a victim of identity theft, it can take years to restore your credit and clear your name. The University of Oklahoma takes precautions to protect the identities of its faculty, staff and students, but here are a few “Do’s” and “Don’ts” to help keep you even safer:

**DO:** Only enter your sensitive personal information (Social Security number, credit card numbers, date of birth) on trusted sites.
- Immediately contact your credit card company about charges on your credit card that you didn’t make.
- Find out why your card is unexpectedly denied.
- Shred receipts, bills and other documents that might have personal information written on them.

**DON’T:** Share your passwords with anyone, even family and close friends.

**DON’T:** Ignore calls from creditors about charges. This could be the first sign that your identity has been stolen.

**DON’T:** Reply to e-mails that request personal information. These messages are called phishing messages, and they are a common tool of identity thieves.

**DON’T:** Leave paperwork that contains personal information lying around for others to see and steal.

**Guard Your Privacy on Social Networking Sites:**
- Don’t give out information simply because it is requested.
- Giving out birthdates, full names, addresses, phone numbers, Social Security numbers, bank or credit card account information and other personally identifiable information can lead to identity theft and cyberstalking.
- Select gender-neutral usernames.
- Protect your passwords.
- Be cautious about posting pictures of yourself, as stalkers sometimes can become obsessed by photos or images.
- Versions of online information can be archived, so once you post information, deleting it does not ensure that it is no longer available online.
- Be cautious about arranging personal meetings with new online acquaintances.
- Only post information that you are comfortable having others see, including parents, potential employers, instructors, etc.
- Trust your instincts.
Illegal Use and Sale of Alcohol and Drugs

The University of Oklahoma has adopted a policy aimed at preventing the illegal use of alcohol and drugs by university students and employees on university premises or as part of university-sponsored activities.

The university considers a violation of this policy to be a major offense that can result in a requirement for participation in a drug or alcohol rehabilitation program, referral for criminal prosecution, and/or immediate disciplinary action, up to and including termination from employment and suspension or expulsion from the university.

The policy:
• Recognizes that violations of applicable local, state and federal laws may subject a student or employee to a variety of legal sanctions
• Acknowledges that convictions become a part of an individual's criminal record and may prohibit career and professional opportunities
• Requires an employee to notify his or her supervisor in writing of a criminal conviction for drug- or alcohol-related offenses occurring in the workplace no later than five calendar days following the conviction
• Recognizes that health risks generally associated with alcohol and drug abuse can result in a variety of physical and psychological problems
• Provides for employee and student access to the university's drug and alcohol abuse counseling and training programs
• Forbids an employee from performing safety sensitive functions while a prohibited drug is in his or her system
• Mandates drug testing of safety sensitive employees prior to employment, when there is reasonable cause, after an accident, on a random basis, and before returning to duty after refusing to take a drug test or after not passing a drug test
• Requires that all students and employees abide by the terms of the policy as a condition of initial and continued enrollment and/or employment
• Provides for annual distribution of the alcohol and drug abuse policy to staff, faculty and students

Substance Abuse Education Programs

• **Employee Assistance Program:** This program provides professional and confidential help to faculty, staff and their family members dealing with a variety of problems, including drug and alcohol abuse. It includes an assessment of the problem and appropriate avenues for assistance and provides employee counseling and training programs on the dangers of drug and alcohol abuse.
• **Student Counseling Services:** Student Counseling Services provides all HSC students with individual, couples, and group counseling services.
• **Licensed Alcohol and Drug Counselor:** The university employs a certified alcohol and drug counselor to assist in student counseling and program development.

For more information about the availability of these programs, call HSC Student Affairs (405) 271-2416 or Human Resources (405) 271-2184.

Prevention of Alcohol Abuse and Drug Use on Campus and in the Workplace

The university recognizes its responsibility as an educational and public service institution to promote a healthful and productive work environment. This responsibility demands implementation of programs and services that facilitate that effort. The university is committed to a program to prevent the abuse of alcohol and the illegal use of drugs and alcohol by its students and employees. The university program includes this policy, which prohibits illegal use of drugs and alcohol in the workplace, on university property, or as part of any university-sponsored activities. It shall be Board of Regents’ policy that:

• All students and employees shall abide by the terms of this policy as a condition of initial and continued enrollment/employment.
• The illegal use of drugs and alcohol is in direct violation of local, state and federal laws as well as university policies governing faculty, staff and student conduct. This policy strictly prohibits the illegal use, possession, manufacture, dispensing or distribution of alcohol, drugs or controlled substances in the workplace, on university premises, or as a part of any university-sponsored activities.
• Violating this policy shall be a major offense which can result in a requirement for satisfactory participation in a drug or alcohol rehabilitation program, referral for criminal prosecution, and/or immediate disciplinary action up to and including termination from employment and suspension or expulsion from the university. A criminal conviction is not required for sanctions to be imposed upon an employee or student for violations of this policy.
• Violating applicable local, state and federal laws may subject a student or employee to a variety of legal sanctions including, but not limited to, administrative fee, incarceration, imprisonment, and/or community service requirements. Convictions become a part of an individual’s criminal record and may prohibit certain career and professional opportunities. A current listing of applicable local, state and federal sanctions can be obtained through the offices of HSC Student Affairs and Human Resources.

• An employee shall notify his or her supervisor in writing of a criminal conviction for drug- or alcohol-related offenses occurring in the workplace no later than five calendar days following the conviction.
• The university shall establish and maintain Employee Assistance Programs and Student Counseling Services for counseling and training programs to inform students and employees about the dangers of drug and alcohol abuse. Voluntary participation in or referral to these services is strictly confidential.
• An employee shall not perform safety sensitive functions while a prohibited drug is in his or her system.
• The university may require drug testing of safety sensitive employees (as defined by federal law) prior to employment, when there is reasonable cause, after an accident, on a random basis, and before allowing an employee or student to return to duty after refusing to take a drug test or after not passing a drug test.
• The university shall annually distribute this policy to all staff, faculty and students.

Health risks generally associated with alcohol and drug abuse can result in but are not limited to a lowered immune system, damage to critical nerve cells, physical dependency, lung damage, heart problems, liver disease, physical and mental depression, increased infection, irreversible memory loss, personality changes, and thought disorders.

The appropriate Senior Vice President and Provost or Executive Officer is responsible for notifying federal funding agencies within 10 calendar days whenever an employee is convicted of a drug-related crime which occurred in the workplace. Decisions under this policy are subject to the grievance procedures stated elsewhere in the Board of Regents’ policy.
STUDENT RIGHTS AND RESPONSIBILITIES CODE

All members of the university community can access the entire University of Oklahoma Student Code at:
http://students.ouhsc.edu

Violations of Law and University Policy

The Student Rights and Responsibilities Code and Procedure allow the University to take Code action for charges that arise out of violation of law and/or activities that violate University policy. Specifically, prohibited conduct includes violations of local, state or federal law.

Sanctions

The following sanctions may be imposed upon students or student groups by the appropriate disciplinary board or administrative official:

- **Verbal Warning**: A verbal notice that the behavior was inappropriate.
- **Written Warning**: A written statement that the behavior was inappropriate, which will remain on the student’s University disciplinary record for a specified period of time or until the student meets certain conditions.
- **Disciplinary Probation**: A written statement that the behavior was inappropriate and should subsequent violations occur, the University will take more serious conduct action up to and including suspension or expulsion. This can include exclusion from University affiliated entities, including student organization activities for a period of time or until the student meets certain conditions. Disciplinary probation will remain on the student’s disciplinary record for a specified period of time or until the student meets specified conditions.
- **Educational Sanctions**: A specific number of hours of community service, completion of a reflection or research paper, attending a class, program or lecture, attending counseling, or other actions.
- **Restitution**: Repayment for damages or misappropriation of property. This may include monetary compensation or other related service(s), such as cleaning or restoration.
- **Administrative Fee**: Administrative fees for educational programs and presentations as well as policy related administrative costs, which are assessed directly to the student’s Bursar account. A financial stop may be placed on the student’s record if the student fails to pay the administrative fee by the due date. This stop may prevent the student from registering for future terms or adding or dropping courses.
- **University-Owned Housing Reassignment or Termination**: Reassignment to another University-owned housing unit, exclusion from certain University-owned properties or termination of the student’s housing agreement.
- **Administrative Trespass**: Denial of access to all or a portion of campus, except for limited periods and specific activities with the permission of the appropriate University official, as designated by the University Vice President for Student Affairs or other appropriate administrative official vested with such authority. Should the student enter campus without written permission, the appropriate University official or the campus police may take action.
- **Suspension**: Exclusion from the University and all campuses governed by the Board of Regents of the University of Oklahoma for a specific period of time or until the student meets certain conditions, following which the student may be permitted to re-enroll or apply for readmission to the University, as applicable.
- **Expulsion**: Exclusion from the University and all campuses governed by the Board of Regents of the University of Oklahoma for an indefinite period of time, a record of which remains on file permanently.
- **Restriction or Denial of University Services**: Restricted from use or denial of specified University services, including participation in University activities.
- **Delayed Conferral of Degree**: Delay of issuance of a student’s diploma for a specified period of time or until the student meets certain conditions.

The University of Oklahoma Health Sciences Center Police Department provides law enforcement services on the Oklahoma City campus. Anyone who is the victim of or observes a crime should contact the Police Department (OUHSC PD) 1-4911 from any on-campus telephone. A follow-up will be conducted of any reported crime for which sufficient information is provided to enable officers to carry out an investigation. All crimes should be reported to enable the police to best utilize their resources.

Officers of OUHSC PD are commissioned and sworn peace officers as authorized by state law, and have full law enforcement authority and powers. Additional non-commissioned uniformed employees (Security) provide patrols in various sections of campus, including residential Housing, the academic area, and various locations on the HSC Campus. OUHSC police officers are on duty 24 hours daily year-round. HSC has a campuswide outdoor emergency telephone network. Crime awareness programming is provided for new students each fall and upon request to students or student groups throughout the year. OUHSC PD also provides brochures on a number of prevention topics, from malicious telephone calls to sexual assault. OUHSC PD works closely with HSC Student Affairs to develop and deliver new and additional programming as needs are identified.

HSC campus facilities normally are open for access during conventional business hours. Security hours for academic facilities are established by the budget unit which controls them.

OUHSC PD maintains an excellent working relationship with the Oklahoma City Police Department, and local law enforcement agencies, which routinely informs OUHSC PD of crimes occurring off-campus that involve or may be of concern to students. The University of Oklahoma HSC operates no off-campus housing or off-campus student organization facilities. If OUHSC PD is contacted about criminal activity occurring off-campus involving an OU HSC student(s) the OUHSC PD having no jurisdiction will be limited to information sharing, coordination, and cooperation with the investigating agency upon request.

Possession, use, and sale of alcoholic beverages and illegal drugs are regulated by state law. The university has a policy on prevention of alcohol abuse and drug use on campus and in the workplace (see page 19). This and other policies are disseminated in the Student Handbook and the Faculty and Staff Handbooks.

This annual security report is prepared in compliance with 20 USC 1092 (f), the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, which is disseminated to all employees and current students and is available to prospective students and employees on request.

In addition, OUHSC PD participates in the FBI’s Uniform Crime Report program through the Oklahoma State Bureau of Investigation. The annual UCR Report (Crime in America) is available in most public libraries.
The University of Oklahoma Police Department on the Norman and Health Sciences Center Campuses, in consultation with their campus Vice President of Administration and Finance or his/her designee and OU-Tulsa Police Department on the Schusterman Center campus in consultation with the OU-Tulsa president or his/her designee, are responsible for issuing Timely Warnings and Emergency Notifications to the campus community. OUHSC PD will continuously work and coordinate with local, state and federal law enforcement agencies.

Anyone with information warranting a Timely Warning, Emergency Notification or activating the University’s emergency communications system should report the circumstances to OUHSC PD immediately. The University will issue warnings or notifications as appropriate to keep the campus community informed about safety and security matters on an ongoing basis and to prevent similar crimes from occurring. The decision to issue a Timely Warning or Emergency Notification shall be decided on a case-by-case basis in compliance with the Clery Act and considering all available facts. The notification shall, in the first instance, be based upon whether the crime is considered a serious or continuing threat to students or employees and the possible risk of compromising law enforcement efforts.

**Timely Warnings:** Timely Warnings are issued for crimes to persons or property including: arson, burglary aggravated assault, criminal homicide, motor vehicle theft, and robbery and sex offenses. Timely warnings also may be issued for other crimes as deemed necessary. Upon receipt of all relevant information, such warnings will, as circumstances warrant, be issued in a manner to best protect the campus community.

**Emergency Notifications:** The University of Oklahoma will immediately issue an Emergency Notification to the campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff on campus. The system is designed to be used only during emergency situations that require immediate action by the recipient. Examples include but are not limited to:

- Dangerous Situations (Armed intruder, civil disturbance, hostage situation, etc.)
- Fire
- Hazardous Material Leak/Spill
- Inclement Weather Delays/Closures
- Tornado Warning

Warnings may only be withheld if they would compromise efforts to contain the emergency. Confirmation of an emergency means that OUHSC PD and other University officials, as appropriate, will gather and analyze reported facts to verify that a legitimate emergency or dangerous situation exists.

**Procedure:**

When a determination has been made that a Timely Warning or Emergency Notification is appropriate, OUHSC PD will take all appropriate steps to ensure timely notification of the campus community including immediately contacting the Vice President for Public Affairs or his/her designee to allow for appropriate media distribution. These urgent messages will be transmitted to all available voice service, e-mail, text, and RSS feeds. Options for notifying of students, faculty and staff include the University’s Emergency Communication System. Additional methods of distribution may include, as appropriate:

1. Contacting the local media for immediate distribution;
2. Issuing a campus wide e-mail of the Timely Warning or Emergency Notification; and
3. Posting a Timely Warning bulletin on the OUHSC PD website.

Such warning(s) and notifications may include, but are not limited to, the following information: type of crime, date, time and location of crime as well as available suspect information. OUHSC PD will test the system three times a year. These messages will be clearly identified as test messages from the Emergency Communication System.

OUHSC Emergency Response Group, which includes the Emergency Policy Group and the Emergency Operations Group, Incident Command and OUHSC PD supervisors and officers have received or are receiving training in Incident Command and the National Incident Management System. When an incident occurs on campus that causes an immediate threat, the first responders to the scene, including OUHSC PD, Oklahoma City Fire Department, Oklahoma City Police Department and Emergency Medical Services, work together in Unified Command to manage the incident. Depending on the incident type and level of activation, other OUHSC departments, local or federal agencies may also be involved in the response and utilization of OUHSC’s Emergency Operations Center.

**Minors on Campus:** The university campus and community provides a variety of opportunities for minors to be on our campus, in our facilities or accessing activities or programs. The university has created a best practice guidance for the university community and trains faculty, staff and students on these topics. The best practice guidance may be found online at [http://risk.ouhsc.edu](http://risk.ouhsc.edu).
CSAs have an important role in complying with the Clery Act. Crime reports provided by CSAs are used by OUHSC to:

- Fulfill its responsibility to annually disclose Clery crime statistics, and
- To issue timely warnings for Clery crimes that pose a serious or continuing threat to the campus community

**REPORTING:** CSAs must report incidents which might be Clery Crimes to OUHSC Police Department (“OUHSC PD”) if the incidents occurred within OUHSC’s Clery Geography. You should report any incident that you think may be a crime even if you are not certain that a crime occurred or that it is a reportable crime under the Clery Act. CSAs are required to disclose any reported crimes for statistical purposes but will keep the victim’s identity confidential to the extent they are legally permitted to do so.
