Future Health Scientists Partnership Program

2015-2016 Program Application

Office of Community Partnerships and Health Policy
University of Oklahoma Health Sciences Center
801 NE 13th Street, Room 21
Oklahoma City, OK 73104
(405) 271-2390

Email: CommunityPartnerships&HealthPolicy@ouhsc.edu
Website: www.ouhsc.edu/communitypartnership/
The Future Health Scientists Partnership Program (FHSPP) is a program sponsored by the University of Oklahoma Health Sciences Center. The Oklahoma City based program selects fifty 5th graders each year to participate in activities during the school year as well as the summer. Participation in the program is intended to continue through high school and enrollment in a college or university. There is no financial cost to participate in the program.

FHSPP is committed to preparing young students to ultimately enter into health science professions such as medical doctors, nurses, pharmacists, dentists, epidemiologists, physical therapists, radiographers, speech pathologists, research scientists and countless other related professions. Beginning in 5th grade and continuing through enrollment in a college or university, the program provides academic support and college/career awareness and enrichment for students. The program also works with parents to help them become more informed educational advocates for their children.

During the school year, monthly activities that focus on science, math and language arts are provided – all in a fun environment. Students are also exposed to activities that enhance their awareness of the various health sciences career fields.

An additional aspect of the program is a summer class that focuses on in-depth activities in science, math and language arts. During the summer the students also participate in field trips and career awareness activities that enhance the learning experience. Other than scheduled field trips, all activities occur on the University of Oklahoma Health Sciences Center campus.

If you are interested in your child participating in the program, you and your child should complete the application and return it along with the requested report card and recommendation letters to: The Office of Community Partnerships & Health Policy, 801 NE 13th Street, CHB 21, Oklahoma City, OK 73104. Or, for your convenience, the completed application packet can be returned by email to: CommunityPartnerships&HealthPolicy@ouhsc.edu. Applications and supporting documentation are due in our office no later than October 30, 2015.

The application and your child’s academic record will be reviewed to determine admission into the program. Acceptance in the program is not just based upon the highest grades or test scores. We are interested in students who have the ability and interest to eventually enter into health science professions. If your child is accepted in the program, you will receive a letter from us by the end of November. An orientation meeting for accepted applicants and their parents will be scheduled in December, 2015 for the 2016 5th grade class.

If you have questions or need additional information, please contact us at (405) 271-2390. Thank you for your interest and we hope to see you and your child in the Future Health Scientists Partnership Program!

Sincerely,

Brian Corpening
Assistant Provost, Diversity and Community Partnerships
FUTURE HEALTH SCIENTISTS PARTNERSHIP PROGRAM
2015-2016 APPLICATION (Application deadline-October 30, 2015)

The following information is necessary and will be treated in a confidential manner. All applicants are considered without regard to race, color, religion, sex, national origin, age, disability, or any other legally protected status. The information you are asked to provide below is for statistical data purposes only and will be kept confidential. The student applicant and his or her parent(s) or guardian(s) must complete all sections and attach report card and two recommendations from teacher, principal, or counselor.

Student Applicant must complete information below:

Last___________________________ First__________________ Middle__________________

Address_________________________________________________________________
   Number and Street                       Apt#                      City                   Zip Code

Home Phone Number____________________ Student Email Address____________________

Student’s Date of Birth___/___/___ Age _____ T-Shirt Size___ Gender: Female___ Male___

*Race or Ethnic Group (check one):  Black___ Asian or Pacific Islander___ Hispanic___
American Indian or Alaskan Native___ White___

Are you a citizen of the U.S.? __Yes ___No
If not, of which country are you a citizen? ________ Type of Visa _____ Number_______

What is the primary language spoken in your home? __English __Spanish __Other
If “other”, please specify:_____________________________

School Attending____________________ Grade_____ School District__________________

Principal____________________ Class/Home Room Teacher (if known)__________________

Please attach student’s last report card and two recommendations with application.

*Your cooperation in providing this information is voluntary.

Please note: Applications are due on or before October 30, 2015 at 5:00 p.m. Late or incomplete applications will not receive full consideration.
NOTE: Parent participation is an important component of the Future Health Scientists Partnership Program. Parents/guardians of students accepted into the program are required to participate in planned parent activities on the OUHSC campus.

A parent or guardian must complete sections below:

<table>
<thead>
<tr>
<th>Student applicant lives with: Both parents</th>
<th>Guardian</th>
<th>Mother only</th>
<th>Father only</th>
<th>Other (please specify)</th>
</tr>
</thead>
</table>

Name of **Mother** (or Guardian)
