STAFFORD LOAN BORROWERS:

EXIT INTERVIEW

1. I must repay this loan with all accrued interest and deducted fees.
2. I have a maximum of 10 years to repay this loan unless my loans are consolidated, which may extend my repayment term.
3. I may repay all or part of this loan without penalty
4. The minimum monthly payment for this loan is \$50.00, but can be more depending on the sum borrowed.
Repayment will begin as follows:
 - Subsidized Federal Stafford loan (GSL) Borrowers—following a 6- or 9- month grace period.
 - Federal Supplemental Loan for Students (SLS) Borrowers—on the date of the last disbursement or once fully disbursed, unless a deferment has been arranged.
 - Unsubsidized Federal Stafford Loan Borrowers—following a 6- or 9- month grace period; however, interest accrues while in school and during the grace period, and interest payments can be postponed until graduation.
5. The interest rate for my loan is specified on my disclosure statement, and I am responsible for paying accrued and/or capitalized interest.
6. I must notify my lender in writing within 10 days if I:
 - Change my name
 - Change my telephone number
 - Transfer to another school
 - Withdraw from school
 - Change my address
 - Change my graduation Date
 - Enroll for less than half time
7. I will be notified in writing if my loan is transferred to a new holder.
8. If I am temporarily unable to make payments (i.e., still attending school or unemployed), I may qualify and apply for a postponement of my loan payments. This is known as loan deferment. Deferment time is not included within the 10-year repayment term.
9. If I do not qualify for a deferment and am unable to make payments on my loan, I may request forbearance from my lender. Forbearance is not included in the 10-year repayment term.
10. If I fail to repay my student loan, I will be considered to be in default and the following may result:
 - My loan will be reported to a National Credit Bureau and have a negative effect on my credit rating for seven years.
 - The entire unpaid amount of my loan, including interest, will become immediately due and payable.
 - My federal and state income tax refunds may be withheld, or my wages may be garnished.
 - I may be ineligible to receive any additional federal or state financial aid funds.
 - My loan will be referred to a collection agency and I will be liable for collection costs.
 - I may be sued by the holder of my loans for all amounts owed including attorney fees.
11. I must repay my entire loan even if I do not complete my education, if I am not satisfied with my education, if I cannot find employment, or I do not receive the education or other services that I purchased from my school.
12. Loan Consolidation may be an option for me. This allows me to consolidate student loan debts from multiple federal programs and lenders into one loan, usually extending the repayment period and lowering monthly payments. Interest rate and total interest paid may be greater with consolidation.
13. The Department of Education's SFA Ombudsman's Office works with loan borrowers to help resolve loan disputes and problems. If you are unable to resolve your dispute with your school, lender, holder, servicer or guaranty agency, you may contact the SFA Ombudsman at 1-877-557-2575 or visit the web site at www.ombudsman.ed.gov.
