Stonewall Reserved Parkers

The rehabilitation of the Stonewall Garage will shift next week (weather permitting) to the second half of Phase 1. Reserved Parkers at the west end of Levels 2 & 3 will regain their reserved space. Displaced parkers in the new rehab area will need to park in the red spaces within the Reserved Parking Area on Level 2 designated below.

Please do not park in a reserved space unless it is assigned to you.

Also, Level 2 access to the elevators will be blocked for a few days while they repair the elevated walkway.

Again, we thank you for your patience and understanding during this rehabilitation.
