

## **Turning Student Learning into Scholarship: Peer Reviewed Teaching and Assessment Resources**

Friday, May 16, 2014 with Jody A. Summers Rada, Ph.D.  
Professor of Cell Biology, OUHSC College of Medicine

### **Learning Objectives**

At the completion of this presentation, participants will be able to:

1. Identify the differences between the MedEdPORTAL services
2. Explain the Publications submission process
3. Identify potential copyright and patient privacy violations
4. Interpret MedEdPORTAL's Publications peer review criteria
5. Recognize Educational Scholarship

### **About the EGR Presenters**

**Dr. Jody Summers** is Professor in the Department of Cell Biology in the College of Medicine. Dr. Summers is also the MedEdPORTAL Associate Editor for Gross Anatomy & Histology. She is actively involved in teaching professional and graduate students in the Colleges of Medicine, Dentistry, and Allied Health. She has been funded by the National Eye Institute/NIH for over 21 years for her research on postnatal eye growth and development and has served as a reviewer for several granting agencies including NIH, NSF, and MRC. Additionally, Dr. Summers has authored numerous manuscripts, book chapters, review articles and abstracts. Dr. Summers received her PhD in Anatomy and Cell Biology from the University of North Dakota in 1989 and has had faculty positions at the University of Pittsburgh and University of North Dakota before arriving at the University of Oklahoma in 2003.
