

Marty Walton

Sponsored Programs Administrator, Office of Research Administration

How long have you been employed at HSC?

I've been employed here since January 2009.

What has Staff Senate done for you?

Staff Senate has helped me learn more about our university and network within our large campus community.

What would your hopes for the future of the HSC Staff Senate?

In the future I would like to see the HSC Staff Senate continue their work in bringing together all employees, with a special emphasis on newcomers.

What committees have you served on?

I have previously served on the Staff Week committee. I absolutely love working to bring the campus together, provide some fun times for all employees, and celebrate our position within the university. The Staff Week committee is a great group of people, with really good ideas and great drive and I'm very lucky to serve on it.

Have you gone on vacation lately? If so, where?

Over the summer I went on a vacation to Florida to celebrate my grandparents' 60th wedding anniversary. It was the first vacation we had taken with our daughter and it was great to watch her play on the beach!

How long have you been married?

I met my husband in 2001, while attending OU. We were married in 2006.

How old is your daughter?

Our daughter, Lorelai Louise, is 4 years old. We call her LL for short.

What are some of your hobbies?

I love to read! I also have made a hobby out of designing and making invitations and printables for all occasions: Weddings, Showers, Birthday Parties, etc.

**“Whether you think that you can, or that you can’t, you are usually right.”
