

# SENATOR SPOTLIGHT

**BRANDI GREEN**

**Group III Senator**

**Financial Services—Accounts Payable  
Assistant Manager**

- *Have you gone a vacation lately and if so, where?*  
The last trip I went on was to the OU Texas game. That wasn't much of a vacation.
- *Do you have a spouse and/or kids? If you have kids, how old are your kids? If you are married, how long have you been married?*  
I have been married for 5 years. We have a three year old son and another son expected in early March.
- *What are some of your hobbies?*  
I like OU football, reading to my son, genealogy, taking pictures, and lots of sleep.
- *How long have you been employed at HSC?*  
Five years.
- *What has Staff Senate done for you? Do you have any comments about Staff Senate?*  
I've had the privilege to be involved with Staff Senate Committees. This has allowed me to meet an array of wonderful people, as well as see the "interworking" of Staff Senate. Being a part of the work that goes in to Staff Senate has given me a greater appreciation for what the Staff Senate provides. There are a lot of people on campus who are unaware of what Staff Senate is and how they can be involved. It would be nice if we could provide more one on one recruiting. Lastly, the Staff Senate meetings keep me up to date with what is happening on campus. I can then relay this information to my department. It is nice being the first to know things.
- *What would you like to see for the future of the HSC Staff Senate?*  
First, I would like for more people to be informed of Staff Senate. Second, since the ERC provides a survey for the luncheon, perhaps other surveys could go out as well. Since the staff is who we represent, their feedback is important. Lastly, over the past few years, committees have revamped the way things are done rather than continuing to follow the same process as in the past. I would love to see this continue.

*What is one sentence that describes your philosophy of life?*

**I get hurt, I have wounds, but they heal and I am stronger.**
