

Cheri Elliott

**Group I Senator
Department of Pathology
Account Representative**

SENATOR SPOTLIGHT

What is one sentence that describes your philosophy of life?
**Life is short...
try to be happy!**

- * *Do you have a spouse and/or kids?*
Yes...I have been married to Roger for 26 years.
- * *What are your hobbies?*
Reading and trying to learn how to crochet.
- * *How long have you been employed at HSC?*
23 years and 3 months
- * *What has Staff Senate done for you?*
I have met many wonderful people. When I joined the Staff Senate, I didn't know what to expect but I've found that the Senate helps people and answers a lot of questions as well as helps to stifle rumors that circulate on campus. The committees that I have served on have been quite entertaining and hard work.
