I have been with HSC for 8 years. I worked in Auditing for almost 2 years and transferred to Surgery.
- **What has Staff Senate done for you? Do you have any comments about Staff Senate?**  
I feel it has helped me be more involved with campus activities, be more aware of the changes around campus and meet new people. I think the Staff Senate does a great job and I have enjoyed the various speakers.
- **What would you like to see for the future of the HSC Staff Senate?**  
I would like to see more employees participate. I don't think the majority of employees realize the extent of work the Staff Senate does for them. I know I didn't until I became involved.
