PATIENT ACCOUNTS DEPARTMENT

Have you gone on a vacation lately and if so, where? *... October my daughter and I traveled to Oregon to visit family and in November we went to Branson, MO for the first time and had a BLAST!*

Do you have a spouse and/or kids? If you have kids, how old are your kids? If you are married, how long have you been married? *Both! I have a 10 year old daughter and I have been married to a wonderful man for 22 years.*

What are some of your hobbies? *I enjoy playing indoor soccer, doing crafts with my daughter, watching sports and Geo Cashing with my family.*

How long have you been employed at HSC? *I have started my 5th year already!!*

What has Staff Senate done for you? Do you have any comments about Staff Senate? *Working with the Staff Senate has allowed me the opportunity to have a better understanding of what is going on throughout the campus and to be able to communicate back to those I work with. Being a part of the Staff Senate has also given me the opportunity to meet so many fantastic people doing great things here at the Health Science Center.*

What would you like to see for the future of the HSC Staff Senate? *Create a "recruitment committee" who can travel the campus once a month to various areas with vacancies to provide information about Staff Senate and its importance to the employees and possibly cut down on the vacancies that need to be filled. OR, host an open house at each location where vacancies need to be filled and post flyers inviting employees to come meet the Staff Senate to ask questions etc.*

What is one sentence that describes your philosophy of life?

Treat others as you would like to be treated.
