HSC STUDENT AFFAIRS

~ *Have you gone a vacation lately and if so, where?*

**My wife took me on a golf vacation to Branson, Missouri for my 30th birthday. It was awesome...very pretty area with great golf courses.**

~ *Do you have a spouse and/or kids?*

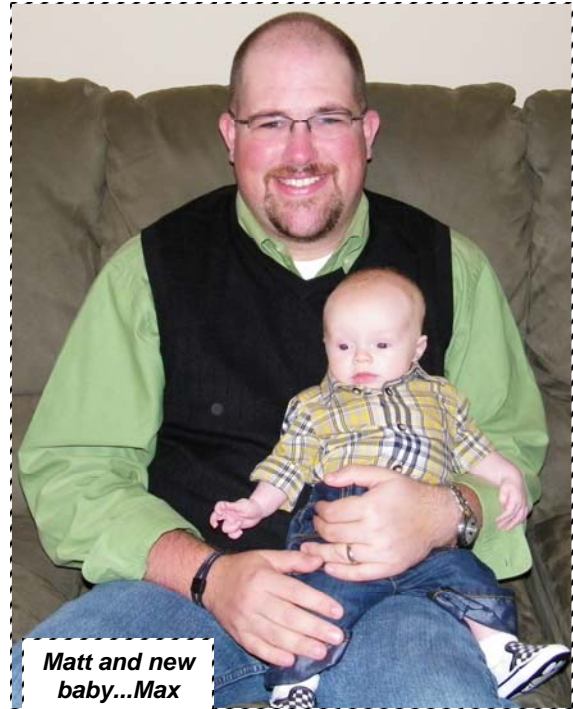

**YES! My wife, Dinah, and I have been married for 6 years and have recently been blessed with our first child, Maxwell James, born September 19th. Dinah and I have been together for a total of 14 years...I know...I feel sorry for her too!**

~ *What are some of your hobbies?*

**I LOVE GOLF! A very close 2nd is OU football, but I golf whenever possible. I once made myself sick by golfing in freezing weather, I mean for goodness sake, the ponds were frozen over and everything!**

~ *How long have you been employed at HSC?*

**3 years this Decemeber.**

**Matt and new baby...Max**

*What is one sentence that describes your philosophy of life?*

**"Resolve to never quit, never to give up, no matter the situation." — Arnold Palmer**

~ *What has Staff Senate done for you, and do you have any comments about Staff Senate?*

**When I came to this campus I brought with me a love for OU that makes me very good at my job. But I also brought a desire to help out my fellow employees, which is why I joined the Staff Senate. The Staff Senate is a wonderful organization that does so much for the employees on this campus. I truly believe that the Staff Senate will be even better next year when Brian Wilburn takes over for Casey Partridge.**

**Through the Staff Senate I have met so many wonderful people. People like Doug 'the parking guy' Myers, Cheri 'can we vote now' Elliot, Cheryl 'the laugh' Williams, Brian 'Doug Myers Jr.' Wilburn....to name just a few. These are the kind of people that make the campus what it is...we are where the wheel hits the road, and it is a privilege to work and serve alongside them.**

~ *What would you like to see for the future of the HSC Staff Senate?*

**I would like the Staff Senate to make a point to reach out to the community that surrounds this campus. If one person can make an appreciable difference in another's life, imagine the impact that a group the size of the Staff Senate could have.**
