OUHSC STAFF SENATE Interest in
Serving during 2018-2019

Please share this form with those in your area who do not have access to email.

Each year, the OUHSC Staff Senate invites employees who are interested in serving on committees to indicate which committees they wish to join. These committees serve the OU Health Science Center campus and represent our campus with the University of Oklahoma as a whole.

We encourage Staff from all departments who are interested in service on these committees to let us know. It is not necessary to be a member of the Staff Senate to serve on a committee. This is an opportunity for you to become involved in campus and University affairs, to influence University policies, and to help direct the course that the University takes.

1. Please discuss your Availability with your Supervisor before completing the form.
