DR. APPOINTMENT ON CAMPUS

"Visitor" means any person, to include patients, unaffiliated with the organizations and entities of the Oklahoma Health Center as an employee, contractor, student, vendor, office occupant, or tenant.

We do want you to utilize the medical facilities on campus. If you are going to be seen as a patient and will be parking in “Patient/Visitor” parking, we ask that you inform the Parking Office in advance so the enforcement officer can be notified.

This can be done via email to parking@ouhsc.edu or via phone to 271-2020.

CONFERENCE PARKING

When your department anticipates more than 10 people will be arriving from off-campus it is very important to notify parking at parking@ouhsc.edu in order for us to accommodate the parking needs of those attendees.

CITATIONS

Ignoring a citation will not make it go away. Please contact the Parking Office at 271-2020 if you feel you have received a citation in error. We do have an appeals process in which you may contest a citation that you feel was issued incorrectly. The appeals form must be filed at the Parking Office with a bond in the amount of the citation’s fine within 10 days of the citation date or you will waive the ability to appeal.

RENTAL / LOANER VEHICLES

If you will be bringing an unregistered vehicle on campus, please park in your assigned area. Call the Parking Office at 271-2020 and give them the vehicle description, including tag number, along with where it is parked and how long you will be parking it on campus. The Parking Office will inform our enforcement staff so they will not issue a citation for “Failure to Display” the rear window decal. You will still need to display your permit from the rearview mirror.
