Provost's Conference Room, Bird Library 223 (and Atrium)

AGENDA

7:15 Light Breakfast Available

7:30 Business Meeting

A. Discuss E4E spring & summer agenda and dialogue topics (10 min)

B. Identify initial E4E research interests (10 min)

7:40 Dialogue and Discovery

C. Brainstorm and initial dialogue: Core competencies for demonstrating effectiveness as a teacher. (15 min)

- a. What should every faculty member know in order to demonstrate basic effectiveness as a teacher? This dialogue topic follows our original agenda to lay a foundation about we expect, at minimum, of ourselves and our colleagues for teaching in the classroom, laboratory or at the bedside/clinic.
- b. I have observed a shared pedagogy at OUHSC based on Benjamin Bloom but there are other pedagogies of instruction that we may wish to propose for review and dialogue as we dive in to the subject of teaching core competencies in the months ahead. *What's your pedagogy?*
