HSC STUDENT AFFAIRS UPCOMING EVENTS

The Big Event: Saturday, April 13

- Each spring, students from each of the OUHSC's seven health professional colleges volunteer in the greater Oklahoma City area in an effort to show their appreciation and build relationships with the surrounding community. The event is a student-led service project, allowing for students to truly impact the lives of many.

- The goal is to maximize applied learning in service to the HSC community. HSC students volunteers in the community to help organizations with health-related tasks like screenings, health education, and sharing time and knowledge. HSC students, faculty, and staff are excited about putting their skills to use and invite you to join in our enthusiasm.

Sign up to volunteer!
