## *“Covid-19 Discussion - HSC”*

DR. DALE BRATZLER

University Chief Covid Officer | **University of Oklahoma**

Dale W. Bratzler, DO, MPH, is **Professor and Chair of the Department of Health Administration and Policy at the Hudson College of Public Health, and Professor in the College of Medicine at the University of Oklahoma (OU) Health Sciences Center.** He was recently asked to assume the role of **Chief COVID Officer for the University of Oklahoma.** He also serves as the **Enterprise Chief Quality Officer for the three-hospital health system and faculty practice at OU Medicine.** His experience in health care quality improvement includes working with CMS on the development and maintenance of national performance measures used to profile and report on the quality of inpatient and outpatient health care. He has served two terms as president of the American Health Quality Association and is a past member of the Agency for Healthcare Research and Quality National Advisory Council and the CDC Healthcare Infection Control Practices Advisory Committee. He has given more than **600 lectures nationally on health care quality topics** with a particular emphasis on prevention of surgical site infections and adult vaccination. Board certified in internal medicine, he is a Master Fellow of the American College of Osteopathic Internists, and a Fellow of the Infectious Diseases Society of America.
